III. DISTRIBUTION OF POINTS EARNED

1. Points are earned only from the designated shows held within a show season, beginning with the Beef Expo Junior Show and ending with the North American Junior Show. The winners will be referred to as the Show Animal, Show Owned Female, Show Bred/Owned Female, Show Bull, Show Steer and Show Cow/Calf of the Year.
2. For Show Owned Female, Show Bred/Owned Female, Show Bull, Show Steer, and Cow/Calf of the Year, points are calculated from class placings, division champions, reserve division champions, grand champions and reserve grand champion points. The animal may be shown in as many shows as desired, if show rules allow.
3. Cow/Calf: The calf must be the cow's most recent natural calf and must meet the age requirements as defined in the natural show classifications of the American Angus Association.
4. Steers: shown under the guidelines of the American Angus Association (AAA). Steers must be registered with the AAA. A KUIP tag must be provided on the points enrollment form. Steers are eligible to receive points at all shows listed in Levels 1-4.

IV. Eligibility

1. In order to be eligible for points, the KAA Secretary/Treasurer must have received the new points enrollment form by the start of the show at the KY Beef Expo Junior Show on Sunday (this includes animals that were purchased through the KY Angus Sweepstakes Sale on Saturday). It is the responsibility of the exhibitor to locate the KAA Secretary/Treasurer. If the Beef Expo is not your first planned show, then the form must be submitted prior to your first show.
2. Animals can be entered at any time throughout the year; however, points will not be retroactive but will be awarded for any approved show after the official enrollment form is received by the KAA Secretary/Treasurer.
3. Only animals enrolled on the official form will be accepted into the points system.
4. Animals must be enrolled or re-enrolled for each new points year. Animals that were enrolled previously are not automatically renewed; they must be re-enrolled on a current form.
5. No information will be taken via email (unless official form is filled out and attached to the email) or over the phone.
6. Forms can be downloaded from the KAA website or can be obtained by contacting the KAA Secretary/Treasurer or KJAA Advisors.
7. Forms will NOT be accepted until ALL information is complete for each animal. No animals with pending registrations will be entered.
8. You MUST provide a KUIP tag number for steers.
